This listing is by no means complete, nor is the order in which these issues appear, intended to imply any degree of priority or significance of the issues.

Community Issues:

Border	Education	Heath	Weather
Community	Employment	Law Enforcement	
Consumer	Environment	Safety	
Crime	Government/Political	Water	

ISSUE	SLUG	PROGRAM	DATE	TIME	SUMMARY OF DISCUSSION
Safety	Beehive Fire	News 4 Tucson @ 10pm	7/1/2023	10:01:52 - 10:02:25	Fire crews are battling a wildfire in Santa Cruz County that continues to grow. The fire started northwest of Nogales and has now grown to 15-hundred acres with zero percent containment. The fire is not threatening any homes or structures right now.
Law Enforcement	DUI Enforcement	News 4 Tucson @ 10pm	7/1/2023	10:06:21 - 10:06:54	As the holiday weekend approaches, deputies are out on patrol with an increase in DUI enforcement across the county. In 2022, Pima County investigated 43 fatal collisions with half of them involved drivers who were impaired from drugs or alcohol. If drinking always have a designated driver.
Community	Cooling Centers	News 4 Tucson @ 6:30pm	7/2/2023	7:18:42 - 7:19:18	With this weeks extreme temperatures, there are 6 cooling centers people can go to in Tucson to get into the AC. The stations are open 7 days a week from noon to 4pm but will be closed on the 4th of July.
Health	AZ Medicaid	News 4 Tucson @ 10pm	7/2/2023	10:09:36 - 10:10:12	More than two thousand medicaid members in Arizona may have had their personal information compromised earlier this year. The agency discovered the security breach in May that have affected Arizonans. Some of the compromise information includes names, addresses, and last four digits of social security numbers.
Safety	Corral Nuevo Fire	News 4 Tucson @ Noon	7/3/2023	12:01:59 - 12:02:37	As of Sunday night, Corral Nuevo Fire is 85 percent contained and has burned 150-acres just north of Ruby Road near Atascosa Ridge. The fire started Friday and the cause is currently under investigation.
Law Enforcement	Man Electrocuted	News 4 Tucson @ 6pm	7/3/2023	6:07:25 - 6:07:50	A 30-year-old man with serious burns were found on the roof of Grant and Oracle after being electrocuted. The man has life-threatening injuries and is being treated at a hospital but still no word yet in his condition.
Community	Holiday Preview	News 4 Tucson @ 4pm	7/4/2023	4:06:25 - 4:07:37	There are many places in Tucson to celebrate the 4th of July. Marana's Star Spangled Spectacular is happening at Silverbell and Cortaro from 5 pm to 9:30pm. Diamonds in the Sky Celebration at Kino Sports Complex starts with a baseball game and ends with fireworks.A Mountain will light up at 9pm with a fireworks show, a tradition that has been going on for 26 years.
Community	Pueblo Mariachi in DC	News 4 Tucson @ 10pm	7/4/2023	10:16:07 - 10:16:47	Mariachi Aztlan from Pueblo High School marched today in our Nation's Capital in the National Independence Day Parade. They were selected to showcase a slice of Southwestern Culture. The group visited many historical sites, took a tour of the Capital and had lunch with local Congressman Representative Raul Grijalva.
Crime	AZ Trooper Shot	News 4 Tucson @ 5pm	7/5/2023	5:14:24 - 5:14:53	The Arizona Department of Public Safety is investigating a trooper-involved shooting death in Phoenix. A man in a stolen vehicle failed to pull over for a traffic stop and tried to flee on foot and pulled out a gun. The troopers in pursuit fired their weapons but it's not clean if that shot that man or if he shot himself.
Employment	AZ Unemployment	News 4 Tucson @ 10pm	7/5/2023	10:19:58 - 10:20:30	During the month of May, Arizona saw a loss of three-thousand-three-hundred jobs. The states unemployment rate remains steady at a low 3-point-4 percent.
Community	Canadian Snowbirds	News 4 Tucson @ 5pm	7/6/2023	5:08:24 - 5:09:23	Representative Greg Stanton introduced the Canadian Snowbird Visa Act which would extend how long Canadians who own or rent a home in America could stay. If passed Canadian Snowbirds could stay in Arizona by two more months.
Health	Birth Control Access	News 4 Tucson @ 10pm	7/6/2023	10:01:08 - 10:02:37	Governor Hobbs greenlit over the counter birth control today. Women living in Arizona will no longer need a prescription to buy birth control.
Crime	Golf Links Fatal	News 4 Tucson @ 4pm	7/7/2023	4:08:11 - 4:08:58	Tucson Police need the communities help finding people who may have been involved in a street race that left a 21-year-old man dead. Manuel Sanchez was speeding in his Honda Civic when he lost control and ran into a semi-truck that was heading in the opposite direction on Golfinks near Craycroft. His passenger was taken to the hospital and is expected to be okay. Police believe there are two other cars involved in the street race.

3rd Quarter July 1, 2023 to September 30, 2023**

KVOA airs many broadcasts that contain stories dealing with important issues of the communities that we serve. Listed below, by issues, are topics of those stories that were broadcasted during this quarter. This listing is by no means complete, nor is the order in which these issues appear, intended to imply any degree of priority or significance of the issues.

Community Issues:

Border	Education	Heath	Weather
Community	Employment	Law Enforcement	
Consumer	Environment	Safety	
Crime	Government/Political	Water	

ISSUE	SLUG	PROGRAM	DATE	TIME	SUMMARY OF DISCUSSION
Water	Grijalva Water	News 4 Tucson @ 5am	7/18/2023	5:08:01 - 5:09:58	Congressman Raul Grijalva re-introduced a bill that would keep raw sewage from spilling into Nogales water supply. The Nogales Wastewater Act of 2023 would give ownership of the waste water pipeline that conveys more than 10 million gallons of water from Mexico to Arizona before arriving at the international wastewater treatment plant in Rio Rico to the federal government. This would allow for the government to provide much needed repairs and maintenance to the pipeline.
Health	Overdose Deaths	News 4 Tucson @ Noon	7/19/2023	12:18:42 - 12:19:10	The CDC reports that most overdose deaths involving cocaine or other psychostimulants also involve opioids. In 2021, l pods were present in about 79% of overdose deaths involving cocaine and 66% of those involving other psychostimulants. Overdose deaths involving cocaine and opioids have become more than seven times more frequent over the past decade. Those involving both psycho stimulants and opioids became 22 times more common.
Safety	Hot Cars	News 4 Tucson @ 4pm	7/19/2023	4:50:25 - 4:50:50	Current temperatures can damage your car. It is smart to check gauges to tell whether or not the heat is doing damage to the car. It is also smart to check the car's coolant. to make sure it is at a sufficient level. Heat puts stress on the battery of a car and the life-span of a car battery is about three to five years. Check the cabin air filter inside the cab. Mold spores can develop especially as you run the air conditioner. A drain for condensation is located in the heating and air condition system. If t is plugged, you will likely notice a musty smell in the summer. That will also need to be cleaned. Low tire pressure increases friction and as the wheel heads down the road which greatly raises the chances of having blowout.
Health	Heat Depression	News 4 Tucson @ Noon	7/20/2023	12:18:07 - 12:18:55	In the Southwest, Americans can suffer from seasonal depression in the summertime from being cooped up inside in an attempt to void the heat. Resources like Nami or available for help and the crisis hotline number is 988.
Government/Political	Grijalva Splash Pad	News 4 Tucson @ 10pm	7/20/2023	10:23:13 - 10:23:52	Congressman Raul Grijalva announced the city of Tucson is getting nearly a million dollars for a new splash pad. Totalling in 13 million dollars. The money was awarded by the National Weather Service for Joaquin Murrieta park on Silverbell just North of Speedway. The Federal funds add to more than 12 million dollars in investments from the city that will go toward upgrades for the park including shade covers, safety fences, a storage building and the maintenance of the splash pad. The renovation is expected to be completed by fall.
Environment	Adam Robles Fire	News 4 Tucson @ 6am	7/21/2023	6:01:54 - 6:03:05	The Adams Peak fire and the Roblays Robles fire are burning just 15 miles east of Benson. The cause of both fires were lightning strikes that ocured on Wednesday. The fires are burning on both sides of I-10 between Dagoon and Touchstone rocks. Both fires are being handled as one fire but neither one has come into contact with each other. Both continued to spread due to high temperatures and low humidity in the area. While the Roblays Robles fire has backed down to nearby communities and making itself compatible for ground and air crews to keep the it away from structures and homes, The Adams Peak fire's progression was slowed with the use of use of heavy air tankers in order to keep it away from highways. Drivers on I-10 should use caution as smoke could impact visibility.
Environment	Chimney Fire	News 4 Tucson @ 6am	7/21/2023	6:03:06 - 6:03:50	The Chimney fire has burned more than 1,200 acres so far and there is no containment. The fire is burning on the East side of Mount Lemmon and it started around 6:30 Wednesday night. Fire officials say that no structures or homes are in danger.
Environment	Bee Heat	News 4 Tucson @ 5:30pm	7/22/2023	5:44:50 - 5:45:24	Bee populations are decreasing in Southern Arizona due to heat. Too keep them alive. Leaving out a bucket of water for them and putting it in the same location everyday for them to know where to go. Placing a floating device in the water will allow bees that fall into the water to climb out.

ISSUE	SLUG	PROGRAM	DATE	TIME	SUMMARY OF DISCUSSION
Environment	Robles Fire	News 4 Tucson @ 5:30pm	7/22/2023	5:33:24 - 5:34:18	While rain in the area helped firefighters fighting the fires in the area, it did nothing to contain the fires. It did stop all growth from the Robles fire. Crews are securing the southern border of the Adams peak fire. Both are considered as one incident which is currently 0% contained with over 5,000 acres burned.
Environment	Gallineta Fire	News 4 Tucson @ 5:30pm	7/23/2023	5:34:25 - 5:34:55	A new fire ignited Northeast of San Miguel. The Gallineta fire has grown to around one thousand acres after breaking out this afternoon. There are no evacuations as of now. Three hand crews are battling the fire. No word yet on the cause of the fire.
Health	Fentanyl Stats	News 4 Tucson @ 5:30pm	7/23/2023	5:39:51 - 5:40:26	Fentanyl and Opioids are taking the lives of Arizonans at an alarming rate. More than five people die everyday from an opioid overdose according to the Arizona Department of Health Services. In most of these cases, fentanyl is the most commonly used drug. 67% of Drug-related deaths involve fentanyl and more than half of all fentanyl seizures nationwide happen here in Arizona
Weather	Bowl Creek Fire	News 4 Tucson @ 4pm	7/24/2023	4:00:07 - 4:02:07	The Bowl Creek Fire is burning northwest of Oracle Junction. It's burning near state routes 79 and 77. The Oracle junction, Saddlebrooke Ranch and Falcon Valley Ranch communities have all be placed on "set" alert status.
Weather	Power Outages	News 4 Tucson @ 10pm	7/24/2023	10:02:13 - 10:04:31	Hundreds of Tucsonans on the southwest side are still without power, and in this heat, they are without refrigeration and air conditioning. Crews continue to work after recent storms took down several power poles. The Red Cross and Pima County are teaming up to open a cooling center at Valencia Middle School.
Crime	Suspect Wanted	News 4 Tucson @ 5pm	7/25/2023	5:07:16 - 5:07:55	Tucson police are asking for the public's help with identifying two men who allegedly robbed a circle K store. One suspect store 16-hundred dollars worth of cigarettes. The second suspect stole alcohol and lighters. Anyone with information on these two men are asked to call 911 or 88-CRIME.
Weather	Heated Inmates	News 4 Tucson @ 10pm	7/25/2023	10:07:32 - 10:08:22	An investigation in the Federal Prison in Tucson has confirmed issues with the air conditioning. Families of inmates are expressing their worries over the dangerous heat and the safety of the inmates. Many family members of the inmates explain that it is inhumane to be treated this way.
Weather	Heat Deaths	News 4 Tucson @ 4pm	7/26/2023	4:02:40 - 4:04:39	The heat across the country and in southern Arizona has broken records this past month. In Arizona alone, there have been at least 570 heat-related hospital illnesses in the last week. In this year, there have been two heat related deaths. Carl Chandler from Phoenix Fire has stated that they have to go as far as putting their IV's in ice to those who have heat-related illnesses in order to cool there individuals' internal temperature quicker.
Community	Casita Comp	News 4 Tucson @ 10pm	7/26/2023	10:20:18 - 10:20:47	The city of Tucson is planning on building more affordable homes and is offering a thousand dollar prize to any architects, builders, or students who are willing to help design these homes. On Thursday, August 3rd there will be an online meeting held to go over submission details, design criteria, and more. The deadline to turn your designs will be September 18.
Community	Back to School	News 4 Tucson @ 2pm	7/27/2023	1:57:58 - 1:57:59	The Tucson Unified School District is hosting a resource fair to help students prepare for the new school year. The TUSD school district is offering free backpacks, uniforms, clothing, hygiene kits, barber service, and hair styling services. This event is happening on Saturday from 9:00am to 1:00pm at Palo Verde Magnet High School.
Crime		NBC News Special Report	7/26/2023	10:21:38 - 10:42:30	Hunter Biden pleaded not guilty to federal tax charges Wednesday after a plea deal he struck with the government unraveled when the judge raised questions about the terms of the agreement.
Crime		NBC News Special Report	7/27/2023	3:20:39 - 3:30:10	A new indictment was filed today in connection with the ongoing prosecution by special counsel Jack Smith of Trump and a top aide, adding charges against the former president for his handling of classified documents after he left the White House.

3rd Quarter July 1, 2023 to September 30, 2023

KVOA airs many broadcasts that contain stories dealing with important issues of the communities that we serve. Listed below, by issues, are topics of those stories that were broadcasted during this quarter. This listing is by no means complete, nor is the order in which these issues appear, intended to imply any degree of priority or significance of the issues.

Community Issues:									
Border	Education	Heath	Weather						
Community	Employment	Law Enforcement							
Consumer	Environment	Safety							
Crime	Government/Political	Water							

ISSUE	SLUG	PROGRAM	DATE	TIME	SUMMARY OF DISCUSSION
Crime	La Cholla Teen Killed	News 4 Tucson @ Noon	7/28/2023	12:03:41 - 12:04:21	Pima County Sheriff's deputies have found a 17-year-old victim in the area of La Cholla Boulevard and Wetmore Road. The detectives soon learned that the victim had gotten in a fight with a man named Anthony Duran and another 17-year-old before they had sped-off in their car, dragging the victim behind. The two were charged with manslaughter and are now serving time in the Pima County Jail.
Weather	Cacti Heat	News 4 Tucson @ 6pm	7/28/2023	6:06:13 - 6:07:42	The temperatures in the past month have been so severe, to the point where even cacti are having a hard time surviving in the heat. The cacti cannot find a way to cool down so instead they are roasting. This isn't just happening to saguaros, but to all kinds of cacti. Regardless of how much you water a cactus, it won't be able to do anything with the water after they've roasted.
Safety	Fatal Boat	News 4 Tucson @ 5:30pm	7/30/2023	5:38:50 - 5:39:51	A six year old girl has passed away due to being struck by a boat propeller. The young girl and her parents were spending a Friday morning on a boat in a lake. Her father was in the water holding a water board while her mother was driving the boat and starting the engine. Neither of her parents noticed the girl in the water near then engine. Tragedy quickly struck when she was hit by the boat's propeller. The girl lost her leg and was rushed to the hospital. Sadly, she did not survive.
Weather	Weather #1 @ 6:00	News 4 Tucson @ 6pm	7/30/2023	5:59:50 - 6:28:12	Tucson is very humid and has a very high chance of storms. The temperatures will begin to get cooler due to the storm activity. The temperatures will reach as low as 69 today.Santa Cruz County will have have chances of rain as high as 90%.
Weather	Zoo Damage	News 4 Tucson @ 5am	7/31/2023	5:03:15 - 5:04:44	A recent storm has caused wreckage at a zoo and has caused thousands of dollars of damage and has caused a few animals to go missing. The owners are very disappointed after spending so much money on making a good zoo and having all of that go to waste after the storm. Luckily, none of the animals were injured. Only a kangaroo, a capybara, and two porcupines have gone missing.The owners first priority is making sure the animals have shade and have their homes rebuilt. The owners are ready to move forward and rebuild the damages that the storm have caused regardless of how much money and time it will take.
Crime	Speedway Shooting	News 4 Tucson @ 5am	7/31/2023	5:05:33 - 5:06:57	A shooting occurred near Speedway and First Avenue on Sunday before 7pm. ISSUE	SLUG	PROGRAM	DATE	TIME	SUMMARY OF DISCUSSION
Health	Suicide Rates	News 4 Tucson @ 6am	8/13/2023	6:18:55 - 6:19:27	More people died of suicide last year than any other year recorded. More than 49 thousand lives were lost due to intentional self-harm in 2022. Guns were involved in more than half of them. The suicide rate spiked in 2021 after a two year decline.This data won't be final until later this year.
Consumer	High Gas	News 4 Tucson @ Noon	8/14/2023	12:49:49 - 12:50:17	The cost of regular gas is above \$4 from normal and the national average is \$3.85. This is the highest gas has been in 10 months and is up 2 cents from last week. They are up because Russia and Saudi Arabia have been cutting the global supply and some refineries are struggling to function in extreme heat.
Crime		NBC News Special Report	8/14/2023	7:55:35 - 7:57:35	A Georgia grand jury indicted former President Donald Trump today, charging him with felony racketeering and numerous conspiracy charges as part of a sweeping investigation into the effort by him and his allies to overturn the 2020 election.
Crime	Clements Hearing	News 4 Tucson @ 6am	8/15/2023	6:06:22 - 6:08:22	Christopher Clements was back in court on Monday afternoon after being accused of kidnapping and killing 6-year-old Isabel Celis over a decade ago. Clements is already serving a life sentence for the murder of 13-year-old Maribel Gonzalez in 2014. On Monday, Clements was back in court facing a different charge for promoting contraband which is believed to have happened in the days leading to Clements first trial in the Isabel Celis case. His contraband trial is send for November 20th and 21st and his retrial on the celis case is set to begin in February of next year.
Education	Teacher Shortage	News 4 Tucson @ Noon	8/15/2023	12:07:57 - 12:12:59	Teacher shortages continue and cause Arizona to rank the third highest in the nation of teacher scarcity. A scholarship-support study examined the ratio of teachers to students in public schools in each state and showed that there are 44.61 teachers per 1,000 students. It is believed that the problems stems from schools having trouble keeping their workers and constantly bringing in new people. These two issues are affecting class sizes and teacher morale. The teacher shortage continues as most students are already back in classrooms for the new school year.
Safety	Dog Attack	News 4 Tucson @ 5am	8/16/2023	5:33:57- 5:33:26	Women has been charged in a deadly dog attack in Sierra Vista. The owners of the dogs are 43 year old Shimera Sanchez and 35 year old Ashlee Sanchez were charged for manslaughter and negligent homicide, for the death of the 84 year old Helene Jackson. Later both dogs were killed by police.
Crime	Bank Robber Caught	News 4 Tucson @ 5am	8/16/2023	5:39:00- 5:39:02	A bank robber has been on a run for the last six years and has finally been caught in Phoenix. FBI authorities issued a warrant for 65 year old Daniel Harris arrest back in 2017. Harris was arrested on August 9th and will be arraigned on August 29th in Missouri
Environment	Maui Wildfire	News 4 Tucson @ 6am	8/17/2023	6:08:00- 6:09:26	The sereve wildfire in Maui, Hawaii is the deadliest wildfire in more than 100 years in the United States. The Governor of Hawaii says the death tolls are over 100. Many people do not why Emergency Management Officials did not sound a alarm normally used for Tsunami warnings, though they pushed back questions on a press conference on Wednesday. On Monday President Joe Biden will travel to Hawaii to see the wildfire damage in-person.
Safety	GV Deadly Crash	News 4 Tucson @ 6am	8/17/2023	6:36:15- 6:36:31	A deadly car crash took place this morning in Green Valley. The vehicle involved in the crash was so engulfed in flames that Traffic Detectives have yet to identify the victim. The vehicle (2019 Ford F-150), stuck a pole along I-19 and rolled several times then caught on fire. Detective Caballero says collisions like this are not common.

ISSUE	SLUG	PROGRAM	DATE	TIME	SUMMARY OF DISCUSSION
Health	Nursing Shortage	News 4 Tucson @ Noon	8/18/2023	12:19:16 - 12:24:41	For many years now, Arizona has been one of the highest ranked states regarding shortages in the healthcare field. Luckily, help is on the way. A 75 million grant for the Arizona State Nursing Board has been approved. This money will be used to add around 28-Hundred new nursing positions across the state including specialty and graduate nurses. The dean of nursing at the University of Arizona explains that this new grant will also be a great help to nurses who are burnt out and need time off. This program will combine psychological and mindful interventions to reduce stress and burnout and will help prepare these nurses for when they get into the nursing profession.
Crime	Homicide Investigation	News 4 Tucson @ 5am	8/18/2023	5:05:04 - 5:06:22	Authorities have learned the name of a man who was found wounded near Prince and Fairview just after 11pm on Wednesday night. The police tried to revive him when they arrived at the scene but he was immediately pronounced dead at the scene. New 4 Tucson talked to a worried neighbor about the incident and they explained that it is incredibly dangerous to leave your house even if it's just for a couple minutes because of how often break-ins happen. Police are still on the hunt for the person responsible for the man's death and are asking the public to call 911 or 88-CRIME to report any information they have on this matter.
Health	Eye Surgery	News 4 Tucson @ 7am	8/19/2023	7:16:42 - 7:16:58	A new procedure for eye care has been developed in Massachusetts called calec. It uses stem cells to restore the cornea in the damaged eye of patients with severe injuries. In a phase one study of the first four patients, all saw marked improvement. Two saw significantly better without any additional treatment and the other two were able to go on to get artificial corneas. Which their eyes had been too damaged to accept before.
Health	US Malaria	News 4 Tucson @ 7am	8/19/2023	7:18:58 - 7:19:31	Another case of locally contracted malaria has appeared in the US. The person who contracted it did not travel outside of the US or to any local states where local transmission has been identified. The CDC says nine cases have been reported this summer in Florida and Texas. This is the first time in 20 years.
Health	Mutated COVID	News 4 Tucson @ 6am	8/20/2023	6:15:55 - 6:16:36	There is a new and highly mutated coronavirus variant. The variant is called BA286 - and it has more than 30 Amino acid changes to its spike protein. It is currently a variant under monitoring. it only has a handful of victims in only four countries. There has been one case discovered in Michigan. The CDC is currently saying that it should not be cause for alarm.
Health	Summer Heat	News 4 Tucson @ 5:30pm	8/20/2023	5:39:54 - 5:40:10	In the same way that too little sun affects the brain, too much sun and heat does the same. Excessive sun exposure can lead to mood swings towards irritability, anger, and aggression. Climate change causes excessive pollutants and excessive allergies. When in heated areas, It is important to keep your body safe and apply mental health. Hydration, cool clothing, caps and using hats.
Border	Border Crossings	News 4 Tucson @ 6am	8/21/2023	6:48:26 - 6:48:47	Numbers from the federal government show illegal crossing arrests went up by 33% from June to July. The Tucson area reported that there were more than 39,000 arrests last month. Making it one of the busiest sectors along the border. This comes after a drop in arrests after new restrictions were put in place by the Biden administration in May with the ending of Title 42 to try to lower illegal crossings and encourage asylum applications through a new online process.
Environment		NBC News Special Report	8/21/2023	3:47:40 - 4:00:10	President Joe Biden visited Maui on Monday to observe the damage and recovery from devastating wildfires on the Hawaiian island that started earlier this month.

ISSUE	SLUG	PROGRAM	DATE	TIME	SUMMARY OF DISCUSSION
Crime	Shooting Arrest	News 4 Tucson @ 4pm	8/21/2023	4:11:12 - 4:12:27	The second suspect guilty for killing 25-year-old Daniel Lopez is now behind bars. 35-year-old Darryl Brown is now being held on a million dollar bond. On June 22nd, Daniel Lopez and a woman were shot near Benson Highway and Park Avenue. The victims managed to make it to the intersection of Park and Ajo way. Lopez was not able to survive. The woman managed to stay alive and was rushed to the hospital and was able to recover. Tucson police learned that Lopez was meeting with a different suspect, Gilbert Grajeda. This suspect was arrested on July 27th. Both Brown and Grajeda are not facing charges for first degree murder, armed robbery, and aggravated robbery.
Government/Political	Adoption Error	News 4 Tucson @ 6am	8/22/2023	6:06:51 - 6:09:33	Thousands of adoptions in our state might be at jeopardy because of missing documents. According to the attorney general's office, the document error could impact about 4-thousand juvenile dependency cases. It will affect things such as guardianships, placement decisions, and visitations. For the 596 open juvenile cases, more than 18 hundred of them have unapproved documents associated with them. 515 closed cases that resulted in guardianships have more than 19 hundred associated documents missing. It will take a while to go through all the information and to evaluate what information is not rightfully disclosed and advocate for different outcomes if that is the right thing to do. Judges will be involved throughout the process.
Consumer	Home Mortgages	News 4 Tucson @ Noon	8/22/2023	12:47:41 - 12:49:18	Making homes affordable has been an important topic for decades now. Finding affordable homes can be very difficult nowadays after mortgage rates have soared to the highest level since the year 2000. The average rate on the popular fixed mortgage is at nearly 7.5 percent which is 5.5-percent higher than it was this time last year. It is the highest level since November of 2020. Demands for homes remain high but houses to sell are lean. Experts say the federal reserve wants to see a deterioration in economic data before considering a rate cut.
Safety	Fatal Crash	News 4 Tucson @ 6am	8/23/2023	6:01:56 - 6:02:32	A 76 year old man killed in a crash on Tucson's Northwest side Monday night his name is Terrill Smith. The crash happened near Trico and Silverbell road, police say Smiths car was struck by a pickup truck driven by a 60 year old named Karl Amundsen. Smith was taken to the hospital and later died he suffered a severe head injury.
Health	High Risk Mask	News 4 Tucson @ Noon	8/23/2023	12:17:16 - 12:18:13	A growing number of experts say high risk individuals should use a mask. Experts are warning caretakers to be cautions in crowds, the CDC does not have a broad policy for using masks again but most agencies are recommending to mask in areas with the virus is at a high levels.
Crime	California Mass Shooting	News 4 Tucson @ 6am	8/24/2023	6:03:05 - 6:03:36	On Wednesday night at a biker bar, at least four dead, and 6 wounded in mass shooting in Trabuco Canyon. The suspect is said to be deceased and on the scene. The Orange County Sheriff's Department said it may have started from a domestic dispute between two parties.
Safety	Fake Kidnapping	News 4 Tucson @ 6am	8/24/2023	6:03:58- 6:04:56	The Tucson Police Department warns people to be careful of phone calls regarding fake kidnapping. One mother spoke to News 4 Tucson, saying she received one of these phone calls claiming someone demanding money for her daughter. She says a voice in the background sounded exactly like her daughter, and when she called the Fire Department who contacted the daughters school, she was safe and the phone call was a complete lie. Police say to immediately try to contact the victims and to call the Fire Department of 9-1-1.
Crime		NBC News Special Report	8/24/2023	4:30:15 - 5:00:15	Former President Donald Trump surrendered to authorities and was arrested at the Fulton County Jail on felony charges in connection with efforts to overturn the 2020 presidential election results in Georgia.
Government/Political	Ukraine Training	News 4 Tucson @ 6am	8/25/2023	6:05:06 - 6:06:13	In October, two Ukrainian Pilots will arrive at the Morris Air National Guard here in Tucson. They will start training the pilots to fly F-16 Fighter Jets. Officials say they have already demonstrated above average abilities in earlier programs. Though, they still need to undergo english language training before they can begin learning.

ISSUE	SLUG	PROGRAM	DATE	TIME	SUMMARY OF DISCUSSION
Consumer	Zillow Program	News 4 Tucson @ 7am	8/26/2023	7:07:18 - 7:07:52	Zillow is launching a new down payment plan for first-time buyers in the state of Arizona. Those eligible can pay as little as 1% toward down payment. Zillow home loans pays the additional 2% for a total down payment to 3%. The typical minimum payment required for a home loan. Those interested have to complete a class one home ownership and meet income and credit qualifications.
Health	COVID Vaccines	News 4 Tucson @ 7am	8/26/2023	7:25:16 - 7:25:49	New COVID-19 vaccines will likely hit drug store in mid-September. The FDA will likely speak about this in a few weeks. These shots have been adjusted to fight more current variants of COVID. The US is seeing an uptick in COVID cases.
Safety	Stranger Danger	News 4 Tucson @ 6am	8/27/2023	6:02:52 - 6:04:29	Kids should tell their parents where they are going. Walk with a group or with an adult. Remind kids to not talk to strangers or let them get to close. Go over different scenarios with kids, and be careful with what your child is sharing online.
Community	New Bus Rules	News 4 Tucson @ 6pm	8/28/2023	6:09:34 - 06:10:26	Sun tran is updating their rules for using their transportation services. These rules are apart of a campaign that ensures that bus rides will provide saf, respectful, and clean. These new rules apply to run tran, sun link, and sun van services. For more information on these rules, visit KVOA.com
Consumer	Gas Prices	News 4 Tucson @ 10pm	8/28/2023	10:18:56 - 10:19:51	Gas prices have continued to rise at least every week. The average price here in Tucson is 4-08 which is 18-cents higher than it was last year and 45-cents higher than it was a month ago. Experts say that this increase is caused because of the high temperatures. The heat slows down refinery operations along with recent power outages. It will take a few weeks to fix the heat issue. The demand is also high because of labor day weekend and the hurricane season heading into full gear. If more outages occur, the gas prices will get even higher.
Crime	Gun in Backpack	News 4 Tucson @ 5am	8/29/2023	5:05:05 - 5:05:34	Arizona police are investigating a gun in a student's backpack. Authorities say that the gun was found at Kyrene De La Estrella Elementary School when a teacher was helping a student unpack their bag. The police were immediately contacted and the gun was moved to a safe location. The student's parents have been completely cooperative with the investigation. No further information has been released.
Employment	Job Fair	News 4 Tucson @ Noon	8/29/2023	12:08:53 - 12:11:00	Are you looking for new employees? KVOA airs many broadcasts that contain stories dealing with important issues of the communities that we serve. Listed below, by issues, are topics of those stories that were broadcasted during this quarter. This listing is by no means complete, nor is the order in which these issues appear, intended to imply any degree of priority or significance of the issues.

Community Issues:

Border	Education	Heath	Weather
Community	Employment	Law Enforcement	
Consumer	Environment	Safety	
Crime	Government/Political	Water	

ISSUE	SLUG	PROGRAM	DATE	TIME	SUMMARY OF DISCUSSION
Crime	Jones Arraignment	News 4 Tucson @ 6am	8/31/2023	6:06:39 - 6:07:14	A woman named Semya Jones was the owner of a puppy found dead in a dumpster on July 20th. She was investigated after a alleged abuse to her dogs leg. Though the necropsy report would be inconclusive so Tucson Police closed the case. Animal advocates outside of court say they are going to push to have more done, so there will be a court date for Jones on October 5th for "misdemeanor charges". Even though it is unlikely she will face any jail time.
Community	Comic Con Preview	News 4 Tucson @ 5am	9/1/2023	5:08:49 - 5:09:42	Tucson's Comic-con returns for it's 14th year. Later today, this event will kick off later today and will be located at the Tucson Convention Center.
Crime	Animal Cruelty	News 4 Tucson @ 6pm	9/1/2023	6:02:03 - 6:03:27	Two pima county residents have been arrested for neglecting thousands of animals under their care. This occurred at a home on Anton Place, south of Irvington and Josephs Avenue. Pima County Sheriff's are still investigating this animal cruelty case.
Safety	Labor Day Roads	News 4 Tucson @ 7am	9/2/2023	7:08:52 - 7:11:18	The roads this labor day weekend will be full of traffic. The Arizona Department of Transportation is warning drivers to prepare for lots of traffic on state highways. There will not be any planned closures along state highways from Friday afternoon to Tuesday morning. ADOT says that drivers should allow extra travel time and check their vehicles before they head out. They also want to make sure that trailer chains are not dragging because it could start a spark and start a fire.
Community	Free Dentist	News 4 Tucson @ 10pm	9/2/2023	10:09:09 - 10:10:19	Dental care can oftentimes be difficult to get for some people. Certain dental conditions can be deadly if left untreated. On September 4th, two dental offices in South Tucson and in Midvale Park are offering free dental care from 8am to 12pm.
Safety	Semi Crash	News 4 Tucson @ 5pm	9/3/2023	5:32:31 - 5:33:58	A man has passed away after a crash with a semi truck. Tucson police have said that they arrived at the scene at around 2am. Officers say the black Sedan ran a red light and crashed into the side of the trailer. The driver of the black Sedan, 26-year-old David Villalvazo, was pronounced dead. The driver of the semi was treated at the scene and released.
Government/Political	Abortion Case	News 4 Tucson @ 10pm	9/3/2023	10:09:29 - 10:11:17	The Arizona Supreme Court will hear a case later this year regarding the implications for abortion access in our state. About a year ago, the supreme court overturned Roe V. Wade, sending abortion law back to the states. A Pima county judge judge lifted an injunction on a near total abortion ban. A territorial law from before Arizona was a state that would send doctors and abortion providers to jail for two to five years. In December, the Arizona court appeals that the said 15-week abortion ban the state legislature passed last year is the law going forward. This case will soon be in the hands of the state supreme court.
Safety	ADHD Meds	News 4 Tucson @ Noon	9/4/2023	12:45:59 - 12:46:40	As summer winds down and school begins again, there's a looming fear for many students returning back to school, driven by the shortage of ADHD medications. The CDC estimates that six million children between the ages of three and seventeen have been diagnosed with ADHD. This condition causes multiple behavioral problems in addition to leading to poor performance in school. The medication shortage for ADHD is causing anxiety for students with hyperactivity when it comes to returning back to school.
Government/Political	Homeless Lawsuit	News 4 Tucson @ 6pm	9/4/2023	6:04:23 - 6:04:23	Three organizations for homeless rights have dropped their lawsuits to prevent Tucson from removing homeless encampments. This move came last week after a US district court judge said nothing has been done in the lawsuit since February. The lawsuit was first filed early this year in January to keep the city from removing encampments ahead of the Gem Mineral and Fossil Showcase. The claim also alleged the city planned to hide homeless people from public view during the event which took place from late January to February 12th.
